Persona Snapshot

Ramesh Kumar

Age: 28

Gender: Male

Location: Hyderabad, Idia

Occupation: Food Delivery Partner (Swiggy / Zomato)

Ramesh Kumar is a full-time food delivery partner working in Hyderabad. He relies on daily deliveries for his income and typically works around 9–10 hours a day. His earnings depend on the number of orders he completes. However, external conditions like heavy rain, extreme heat, or pollution often reduce his working hours, which directly affects his income. Ramesh prefers simple digital solutions that help protect his earnings and provide financial stability.

Background

Personal Characteristics

- Hardworking and responsible
- Comfortable using mobile apps for work
- Focused on maximizing daily deliveries
- Adaptable to changing work conditions
- Values financial stability for family support

Hobbies and Interests

- Riding and maintaining his motorbike
- Watching cricket and sports
- Spending time with family
- Exploring new areas of the city while delivering

Goals

Primary Goals:

- Earn ₹800–₹1000 per day through deliveries
- Complete maximum deliveries during working hours
- Avoid income loss caused by disruptions

Motivations:

- Support his family financially
- Save money for future needs
- Achieve stable monthly earnings

Challenges

Main Pain Points:

- Heavy rain or extreme heat reduces working hours
- Traffic congestion increases delivery time
- Fuel costs reduce daily profit

Frustrations:

- Income loss during bad weather
- No financial protection during disruptions
- Unpredictable daily earnings
